Memorandum of Understanding

For

Academic Exchange, Training and Research
Development

1. Scope of the MOU:

This MOU contains the modalities, terms and conditions for the co-operative program in academic training, placements and research in the areas of mutually decided by both the parties.

This memorandum of understanding (hereinafter called "MOU") is made and entered into on this Friday, 9th April, 2018 by and between the Hindu College Of Management (**HNDM**), Amaravathi road, Guntur(Mandal), Guntur District, Andhra Pradesh, India registered under Hindu college & High schools Council, which extension shall include its representatives Successors and assignees of the one part.

AND

Amaravathi Poly Plast, Industrial Estate, Guntur, Andhra Pradesh, India which expression shall include its representatives, successors and assignee of the one part.

PREAMBLE

Whereas, Hindu College of Management, a premier technical institution was founded by a notable academicians with magnificent mission and noble vision Sri. S.V.S. Somayaji, Chairman in the year 2010. The college is approved by All India Council for technical Education (AICTE) affiliated to ANU, Guntur and functions as a private self-financing institution under the patronage of Hindu college & High schools Council. The college offers MBA.

Whereas Hindu College of Management has approached for establishing a co-operative program in training and research between HNDM and Amaravathi Poly Plast, Industrial Estate, Guntur.

Now therefore HNDM and here by agree to introduce a co-operative program in training and research areas to be mutually decided by both the parties. The intention of the parties to this agreement is that the program will compliment each other's strengths and will benefit both the parties. While Amaravathi Poly Plast, Industrial Estate will provide necessary facilities and guidance to the under graduate students of the HNDM for the conduct of academic studies and research, the HNDM will recognize Amaravathi Poly Plast, Industrial Estate, Guntur as a research center for the HNDM.
